antisynthetase syndrome, dermatomyositis, juvenile dermatomyositis, immune-mediated necrotizing myopathy, inclusion body myositis, and polymyositis;

Whereas, Myositis is difficult to diagnose, so treatment is often delayed, and individuals generally experience difficulty finding a health care provider with expertise in their condition;

Whereas, All who suffer from myositis experience reduced quality of life, as no cure currently exists, and life expectancy is shortened, especially for those with inclusion body myositis. Additionally, women and people of color with all forms of myositis experience particularly pronounced health disparities;

Whereas, The Myositis Association is the leading international patient advocacy organization serving the myositis community, focusing on patient services, education, research, and public awareness to achieve a world without myositis; and

Whereas, The Myositis Association is organizing a nationwide observance of Myositis Awareness Month from May 1 to May 31, 2026: Therefore,

Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:

SECTION 1. That the Indiana House of Representatives recognizes May 2026 as Myositis Awareness Month.

SECTION 2. That the Indiana House of Representatives encourages all Hoosiers to learn more about the forms of myositis and its symptoms and to support the families in the state who will benefit from greater awareness of these rare diseases.

SECTION 3. That the Principal Clerk of the House of Representatives shall transmit copies of this resolution to State Representative Mitch Gore for distribution.
